Captain Jay Monteleone

Jay.monteleone@alpa.org

Dear FFT MEC:

Please accept this letter as formal resignation as Scheduling Committee Chairman effective immediately.

I have been honored to serve on the committee the past 3 years. However, the company's unwillingness to engage on discussions related to scheduling practices, but, more importantly, the egregious action last week by LECs 165 and 169 in the hasty, not well thought out ouster of the Negotiation Committee with zero notice, have led to this decision. I am no longer to work in a capacity where my reputation may be associated with the likes of the representatives in those LECs.

I will continue to serve on the Fatigue Review Committee.

Sincerely,

Jay Monteleone|
